Jingwei Li

Email: lijingwei0502@gmail.com

Education

Tsinghua University, Institute for Interdisciplinary Information Sciences (IIIS), *PhD*   2022.09 -
- Research interests: Online learning, Reinforcement learning, Optimization and Markov mixing time.

Tsinghua University, Department of Mathmatics and Science, *Undergraduate*   2018.09 - 2022.06
- **Main courses**: Mathematical Analysis, Linear Algebra, Physics, Quantum Mechanics, Number Theory, Abstract Algebra, Ordinary/Partial Differential Equations, Real/Complex/Functional Analysis, Probability/High-dimensional Probability, Statistical Inference, Numerical Linear Algebra and Analysis, Stochastic Processes, Topology, Differential Geometry, Convex Optimization.
- **GPA**：3.85/4
- **Rank**：17/146

Tsinghua University, Department of Data Science and Technology, *Undergraduate* 2019.06 - 2022.06
- **Main courses**: Data Structure, Data Science and Artificial Intelligence, Database and Big Data Systems, Machine Learning, Deep learning, Data Mining.
- **GPA**：3.8/4

Publications

Preprints

English Level

- **GRE Exam**, Verbal 157/170 Quantitative 170/170 Analytical Writing 4/6

Honor and Awards

- First Prize of National University Students Mathematical Contest in Modeling, 2020.
- Friends of Tsinghua University —Zheng Geru Scholarship(3 years)
- Xuetang Academic Scholarship(3 years)

Academic service

- **Seminar Orginizer:** Foundations Of Data Science (FODS)
- **Reviewer:** ICML, NeurIPS, ICLR

Skills

- C/C++, Python, R, Matlab, Git, Linux, Latex.
